A concise and informative abstract recalling the main findings of the study not exceeding 250 words [1]. The references (if included) should be indicated in the text by a number in square bracket [2]. The text should be typeset as a single paragraph in Times New Roman, Case 12, Normal margins (2.5 cm) and line spacing 1.5. A brief list of references (case 11) should be included and the end following the formatting indicated in this template. The oral presentation should be of 10 min followed by a 5 min exchange with the audience. Poster dimensions should be A<sub>1</sub> (841mm x 594 mm). The seminar languages are English and French and will be presented in the abstracts booklets in both languages. The author should submit both short and extended abstract for a proper selection by the scientific committee.
