

GRAC2019

Geopolymer Research & Applications in Cameroon

Yaoundé, University of Yaoundé I & MIPROMALO,

September 17–20, 2019

Symposium Theme: “Cold Chemistry and Low Energy processes for the Development of Building Materials and Build Environment in Cameroon”

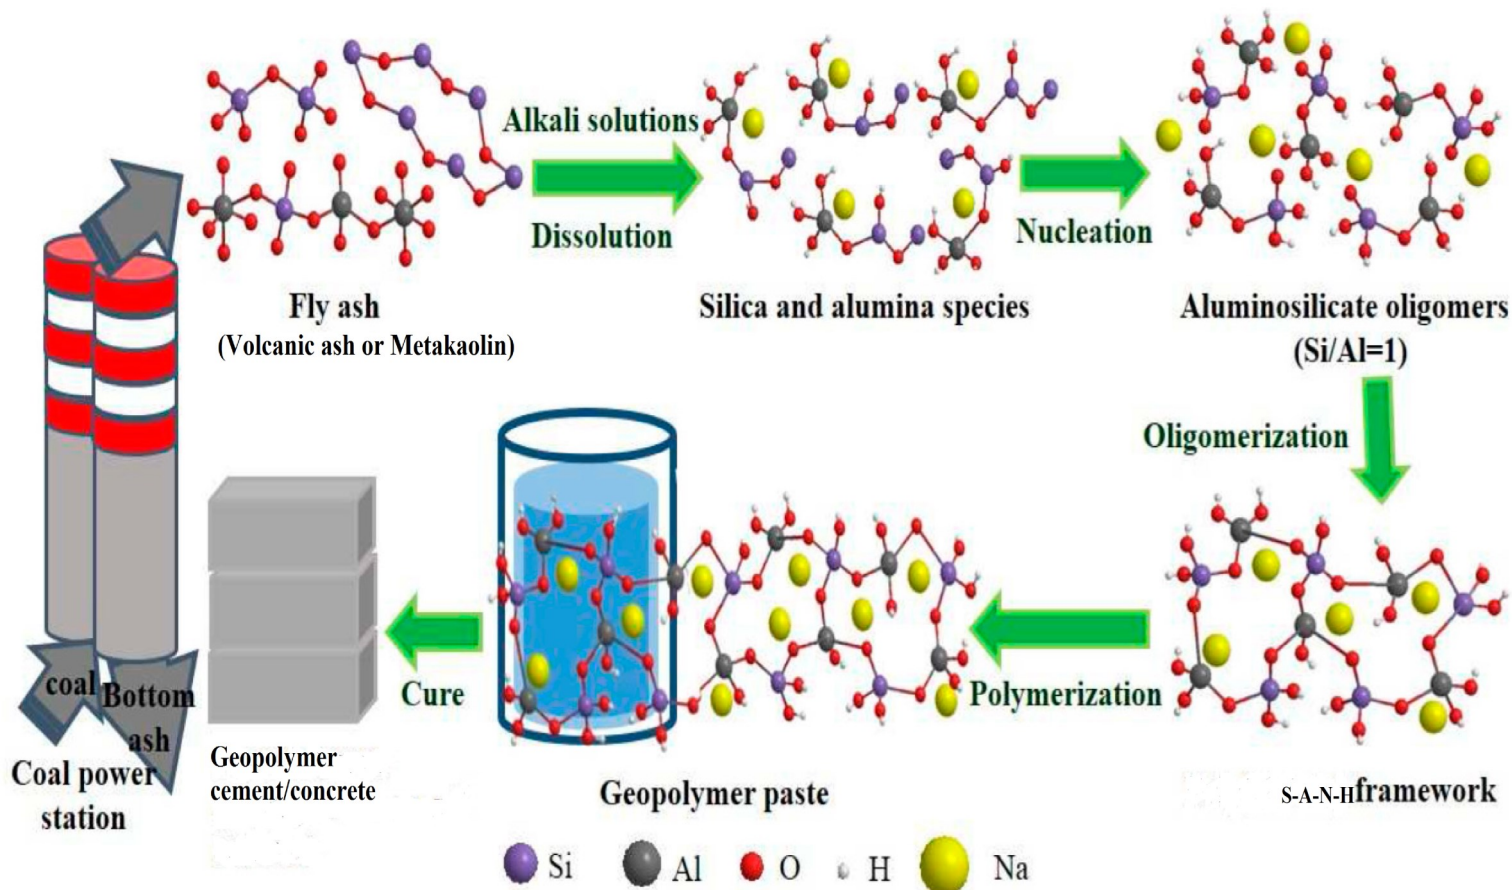

Early Bird Abstract Submission Deadline: June 24, 2019

Final Abstract Submission Deadline: July 07, 2019

Registration Deadline for Presenters: July 17, 2019

The University of Sheffield.

Symposium Chair: Prof. Uphie Chinje Melo, University of Yaoundé I

Scientific Committee

Prof. Cristina Leonelli, University of Modena and Reggio Emilia (Italy)

Prof. John Provis, University of Sheffield (England)

Prof. Uphie Chinje Melo (Cameroon)

Prof. Antoine Elimbi, University of Yaoundé I (Cameroon)

Dr. Patrick Lemougna, MIPROMALO (Cameroon)

Dr. Herve Tchakoute K., University of Yaoundé I (Cameroon)

Dr. Jean Noël Yankwa *Djobo*, MIPROMALO (Cameroon)

Dr. Elie Kamseu, MIPROMALO (Cameroon)

Program

- Two days scientific presentations (key notes and communications)
- Two days laboratories and field works
- PhD and Master's Awards competition on the theme "Applicability of the Geopolymers in Cameroon"

Scientific secretary: Dr. Herve Tchakoute K. Email: geopolymerscameroon@gmail.com

Organizing committee

Prof. Uphie Chinje Melo

Prof. Antoine Elimbi

Dr. Likiby Boubakar

Dr. Herve Tchakoute K.

Dr Bidoung Jean Calvin

Dr Elie Kamseu

Mr Rufin Theophile Tene

Submission of abstracts and
PhD Student Award applications:
geopolymerscameroon@gmail.com
